RE: Solicitation for Outpatient Mental Health and Sex Offender Treatment Services

Dear Treatment Provider:

The U.S. Probation Office for the Northern District of New York is seeking qualified vendors in Onondaga, Oneida, Madison, Broome, and Tioga counties to provide outpatient mental health and sex offender treatment services (1 or 2 Vendors per BPA) for federal defendants and sentenced offenders. The group could also include inmates in the United States Bureau of Prisons who are housed in residential re-entry centers. The contract will begin October 1, 2017, will continue through September 30, 2018, and could be extended by the Government for two, one-year option cycles, without an additional bidding process, which could effectively continue the contract through September 2020.

Interested vendors must complete a Request For Proposal (RFP) by the time designated and clearly show that: (1) they can provide all required services; and (2) such services will be provided by certified, licensed professionals.

If you are interested in receiving an RFP, and your agency provides services within at least one of the above-name counties, please visit www.nynp.uscourts.gov/probation and select Vendor Resources to obtain a copy of the RFP. You can also E-mail Senior U.S. Probation Officer Liana Snyder at liana_snyder@nynp.uscourts.gov no later than July 5, 2017 indicating your desire to receive an RFP.

Very truly yours,

/s/

Liana Snyder
